# THE GALENN

KEEPER OF THE SOUNDS OF SUNSET

MEXICO · PACIFIC · IBIZA

## BIO

**MEXICAN SUNSET HOUSE DJ AND PRODUCER. HIS SOUND LIVES IN THE GOLDEN HOUR: GROOVE-DRIVEN HOUSE TO DANCE WITHOUT STOPPING THE CONVERSATION, MADE FOR THE MOMENT THE LIGHT FALLS.**

A music producer and DJ since 2018, The Galenn built his project around a single idea: the sunset as ritual. What he calls his **Golden Hour** is that exact moment when the day gives in and people stop pretending.

His selection, deep, soulful and melodic groove-driven house, isn't for shouting; it's for being there. He has been resident DJ at **Bakuss Oyster Bar** (Valle de Guadalupe) and has played venues and beach clubs along the Pacific coast, plus weddings and destination weddings in Punta Mita and the Riviera Nayarit.

Today he takes his Pacific sound to Mexico City and Europe, with the same promise as always: no fear of feeling. **Don't let go.**
